

12 Hours on street

Photographer: I want to take a photo of you sir.

Subject: What do you want it for young sonny?

Photographer: For myself.

Subject: For yourself? Does my photo help you?

Photographer: Photos can always help me.

Subject: I do not understand the young, same as you, now take your photo, but one thing ... Promise if it becomes bad, just keep it for yourself...

Photographer: People's photos are never bad.

Subject: Take it ... just tell me what to do?

Photographer: Do nothing, sir.

Subject: Well ... take it ... did you take?

Photographer: Yes. Thanks sir.

Subject: Beware of your youth.

Photographer: Sure ... goodbye.

Subject: Goodbye young sonny.
